Imagine a service that coordinates all your fleet needs

Just one call. Whether your fleet or lift truck needs service, maintenance, or repairs including oil changes, annual inspections, or the acquisition of units, we provide it all under one program. Save money and reduce downtime with our network of dealers. We service all types of fleet vehicles, equipment, and machinery. Just give us a call and we will coordinate all of the service, maintenance, and repairs of your units.

Team of experts. Pinmarx dealers are highly trained professionals with extensive experience and state-of-the-art equipment to complete your job on time and on budget. Great service offerings, combined with fair pricing and honest billing gives our customers a competitive pricing and service advantage.

Personal service. Let your Pinmarx account representative coordinate and oversee your fleet needs in collaboration with our certified team of dealers. You can focus on your business and let us do the rest. Our professional technicians and representatives are experienced in working with operation and warehouse managers and will be there through the entire process.

No surprises. Surprise parties are nice, but not when it comes to what you'll pay. Pinmarx negotiates and pro-

vides pre-determined pricing on all services. No matter the size of your fleet, you can take advantage of discounts on parts and services as well as consolidated billing if needed.

Track it. We provide low-cost cutting edge fleet management software for you to keep track of your invoices and easily run reports directly off of our website. Customers can log in with a user name and password and look up historical data and repair history.

Bottom Line: One program + A team of dealers = Saves your business time and money

We cultivate lasting relationships

Pinmarx was founded to provide companies a more convenient and less expensive way to manage their small, medium, and large sized fleets. With a single source, fleet and warehouse managers can take care of all their needs and say "goodbye" to multiple calls to various service providers.

Our representatives take the time to learn about and understand your business to provide a flexible, cost-effective, and efficient plan that fits your needs. A close relationship with our dealers ensures that you will be matched with the best shop and receive courteous, timely, and reli-

able service every time. Your success is our success.

Your satisfaction is our priority

We want to earn your trust and respect. That is why we evaluate your business needs and address your concerns prior to your first service, maintenance, or repair. Whether you are renting, leasing, purchasing, or maintaining a fleet, Pinmarx is with you every step of the way. This includes the coordination of services and follow-through from pick-up to delivery.

We utilize a multitude of resources and dealers to provide the best overall value to our customers. Our combined volume reduces costs and you benefit from pre-negotiated rates. Pinmarx dealers are leaders in light, medium, and heavy duty trucks and lift truck repair services. With thousands of completed projects, they have the knowledge, special equipment, expertise, and professionalism to do your job on time and on budget.

PINMARX
CORPORATION

We've got what it takes

Pinmarx dealers provide in-shop and mobile tractor truck and lift truck repair for a variety of industries. Our team also repairs trucks, trailers, solos, belly dumps, transfers, mixers, semi-bottom dumps, flatbeds, and box trucks. Other services include everything from fabrication and welding to hydraulic and electrical repair. Pinmarx dealers have serviced both owner operators and fleets ranging in size from five trucks to over 150 units.

We continue to expand as our reputation for hard work and honest business attracts new customers. Strategic relationships with some of the area's most reputable companies have given us and our dealers the leverage and business portfolio needed to compete at a high level. Great service offerings combined with excellent pricing and honest billing gives our customers a competitive advantage.

We deliver

Dependability – Pinmarx dealers specialize in fleet services and lift truck equipment as it is their primary business. Our dealers are efficient, reliable, and on-time.

Experience – Our Pinmarx dealers' certified labor force is trained by their in-house management to service each

project right the first time. Technicians and management attend several training and educational seminars to enhance their knowledge in their respective fields.

Proven track record – With decades of experience, Pinmarx dealers have grown their companies into major service providers of fabrication, welding, hydraulics, lift truck repair, fleet services, body, paint, and restoration services.

Service oriented – Pinmarx is dedicated to coordinating your project from beginning to end.

With great service as our standard, we provide mobile, in-shop, and emergency services.

Value is the trademark of Pinmarx. Our dealers have the best quality equipment and products as well as exceptional customer service. Customers receive competitive pricing and unmatched follow-up services.

Save time and money

Are you focusing on your business or dealing with fleet management and maintenance headaches? Are you able to maximize vehicle uptime and get quality service quickly in case of a breakdown? Are your fleet maintenance costs predictable from month to month?

Save time and money by partnering with Pinmarx and our

network of independent dealers and service providers. We offer unmatched expertise, buying power, and pre-determined pricing on all services. No matter the size of your fleet, we can help you acquire the services you need, coordinate repairs, and customize the look of your fleet. By using us, you are free to do what you do best while streamlining operations, cutting costs, and improving efficiency.

Reliable lift truck repair and services

Our dealers are equipped to service and repair all makes and models of lift trucks and maintain the highest technical standards in the industry. Each dealer is equipped with state-of-the-art tools and highly trained technicians that can provide mobile or in-shop services. Our dealers have transport diesel trucks that can pick up or deliver most equipment.

Our goal is to help you choose the best parts and maintenance option for your lift trucks, saving you time and money. Since our dealers believe strongly in maintaining the highest technical standards in the industry, Pinmarx customers receive quality long lasting repairs each time we are dispatched.

Prevention is the best medicine

Keeping your fleet and lift trucks safe and running is our job. If well maintained, you can improve your bottom line and get a long life out of your units. Pinmarx connects you to maintenance professionals that track and document each unit's service history, schedule, and perform the work necessary to help reduce costly unexpected downtime. A maintenance program will be tailored to meet your business needs.

- Regularly scheduled inspections and follow-up service
- Service coordination, parts, labor, fluids, and inspections
- Annual DOT inspections and OSHA compliance
- Roadside assistance and emergency services
- Network of quality reliable service locations
- Replacement units and rental program available
- Unit washing, steam cleaning, and detailing
- Optional "no term" or "short term" agreements

Keep up with your growing business

Whatever your fleet or lift truck requirements, Pinmarx can assist your business in adding vehicles and equipment as needed. We have the dealer purchasing power to help you buy, lease, or rent depending on which strategy best fits your business model. Our dealers perform all state required documentation to make your decisions quick, easy, and affordable.

Body, paint, and restoration

Get expert body and paint services that include body and frame repair and paint for all types of units. Extend the life of aging units owned or managed by your business. Whether you need a truck body, lift truck repair, a fresh coat of paint, or a more detailed restoration, our dealers can help you get more from your investment.

You will receive quality workmanship at an excellent price from our dealers because our finished products are prepared by the best vendors in the industry. From fiberglass repairs to quality painting, we take care of your truck and equipment from top to bottom in our state-of-the-art spray booths.

It's all about brand recognition

Your fleet is an extension of your business identity – a rolling billboard that says who you are and what you do. Let the vehicle graphics specialists in the Pinmarx network customize your fleet to take your brand identity on the road and maximize your marketing efforts. Use decals, vehicle wraps, reflective images, or a full vehicle mural to get the word out about your company. Our vendors are industry leaders that support some of the country's largest businesses.

On demand oil change services nationwide

Get signature service oil changes when your drivers are on the road anywhere in the country. Pinmarx has agreements with several local, regional, and national quick lube centers to provide bundled services on demand. Our network of quick lube centers provide services on everything from light duty vehicles to super sized semi-trucks.

Services include:

- Change oil and filters
- Inspect brake fluid levels
- Check and replace belts
- Check wiper blades and exterior lights
- Check antifreeze/coolant reservoir levels
- Check engine air filtration system
- Check chassis (lubricate when applicable)
- Check tire pressure and/or rotation
- Fill transmission, power steering, and windshield washer fluids
- Check battery water (excluding sealed batteries)
- Clean exterior windows and vacuum interior floors

It's easy to keep track of it all

Track invoices with software you access right from our website. Features include:

- Advanced filter and query options
- Export data to Excel or other spreadsheet applications
- Convert reports to PDF files for easy sharing with other departments or service centers
- Customer fleet or lift truck inquiries
- Evaluate hours, lease dates, or PM schedules by serial or VIN number
- Track operating conditions, life cycles, maintenance, or operating conditions

Keep your business running

Don't let a mechanical failure stop your company from making money. Our dealers have fully licensed repair facilities with the latest equipment to service your commercial vehicles while providing unbeatable prices and excellent service to keep you up and running. We know your vehicles are the lifeblood of your business and maintaining them is essential to your success. Box trucks, cargo vans, and Sprinters are secured daily at our facilities.

Our dealers also repair roll-up doors, rails, and lift gates on box trucks to make sure that cargo is delivered safe, dry, and without damage. Our technicians are competent and trained on many types of cargo and Sprinter vans and keep up to date on factory servicing requirements. Our dealers have the parts, oils, and lubricants needed for each type of vehicle.
